

Middle School/High School Program

SEPTEMBER 2017
AUG 28TH– SEPT 30

Description

Middle school and High School program is designed to get kids ready for competition for the tennis season for both middle and high school. We work on stroke production to make sure kids are developing proper technique. We also add strategy with match play to the clinics so they are prepared for the school season. We use a regular yellow ball for this class because both middle and high school use a regular ball for the season.
